Mick,
We have had a blast in trig this
year. I don't know what I would
do if you hadn't helped me in physics.
I will always remember (how could I
forget?) old Mr. "Pure Physics." Good
luck always in everything.

Your pal.

foreword

as the years of the first half of the twentieth century have come and gone, so too have the first five years of monterey high school slipped by. in this, the fifth edition of the chaparral, we hope that we have captured for you in pictures and words the events that set this year apart as the greatest yet for mhs. to each of you as plainsmen: may the next fifty years of your lives be enriched with abundance as you have helped to fill and enrich the pages of the 1960 chaparral.

'men, sandies

elected by their fellow players, al swening and johnny stricklin serve as co-captains for the 1959 season.

tension grips the plainsmen coaches mr. bill dubose, mr. don gray, and mr. james odom during the last crucial moments of the monterey-permian game. plainsmen coaching made monterey especially dangerous in district 3-4a competition.

tie in 3 - 4A

season summary

to blast polytech in their season opener, the monterey plainsmen re-enforced an aggressive ground attack to outplay the parrots by a margin of 35-6.

monterey's ground attack succeeded a second time as the plainsmen ran rough shod over the permian panthers for a final tally of 20-7.

despite rain-dampened spirits, the 'men managed a 7-6 victory over the fast running midland bulldogs. only through "mud and guts" tactics did the plainsmen hold their one-point lead through the last two quarters of play.

nerve-racking fourth quarter play kept freezing plainsmen fans on pins and needles as the plainsmen pushed past the pampa defenses for a hard-fought 7-6 triumph.

scoring on a drive sparked by the recovery of a palo duro fumble, monterey slammed ahead 7-0 with 2:03 left in the half. the plainsmen added three more 7-point scores for a 28-0 runaway.

the plainsmen suffered their first and only defeat of the season when the amarillo golden sandies blew into lubbock and stopped monterey 14-7.

to keep their hopes alive in the 3-4a race the "big red line" stopped a last ditch extra point try by borger. coming from behind three times, the plainsmen clutched a 22-21 score in the final seconds of the game for the win.

monterey's chances for an undisputed district title were slashed in the 27-27 tie with plainview after mounting an awesome third-quarter rally which fell short of victory.

combining a stiff defense with a precision passing attack, the plainsmen gained a 28-27 victory over the seventh-ranked team in the state, the tascosa rebels.

cinching a tie for first in district, the plainsmen ran rampant over the luckless tom s. lubbock westerners. scoring the first time they had the ball, monterey didn't stop until the score board read 32-0.

harvesters yield to 'men

monterey fans were kept standing during the grinding contest with the pampa harvesters. for nearly four quarters the harvesters held a 6-0 lead. several times the plainsmen threatened the pampa goal only to lose control of the ball. monterey continued to pound the line to score in the final 13 seconds of the game. a successful conversion added the extra point necessary for a 7-6 win.

plainsmen drop dons, 28-0

a fast-moving back-field caught fire in the last two minutes of the second quarter to start a drive that rolled to two touchdowns before the half ended. the plainsmen slammed past the dons twice more in the final half to add 14 more points to the final score of 28-0.

slashing runs into rebel territory backed up by a rugged defense carried the plainsmen to a 28-21 lead over tascosa with 4:35 left on the clock. spell-bound fans saw tascosa score and then be held on a two point drive for the final monterey 28-27 edge.

fall to mighty plainsmen

felling their crosstown rival 32-0, the plainsmen kept the coveted silver spurs for the second consecutive year. upon scalping the westerners monterey cinched a tie for the 3-4a district championship with the amarillo golden sandies.

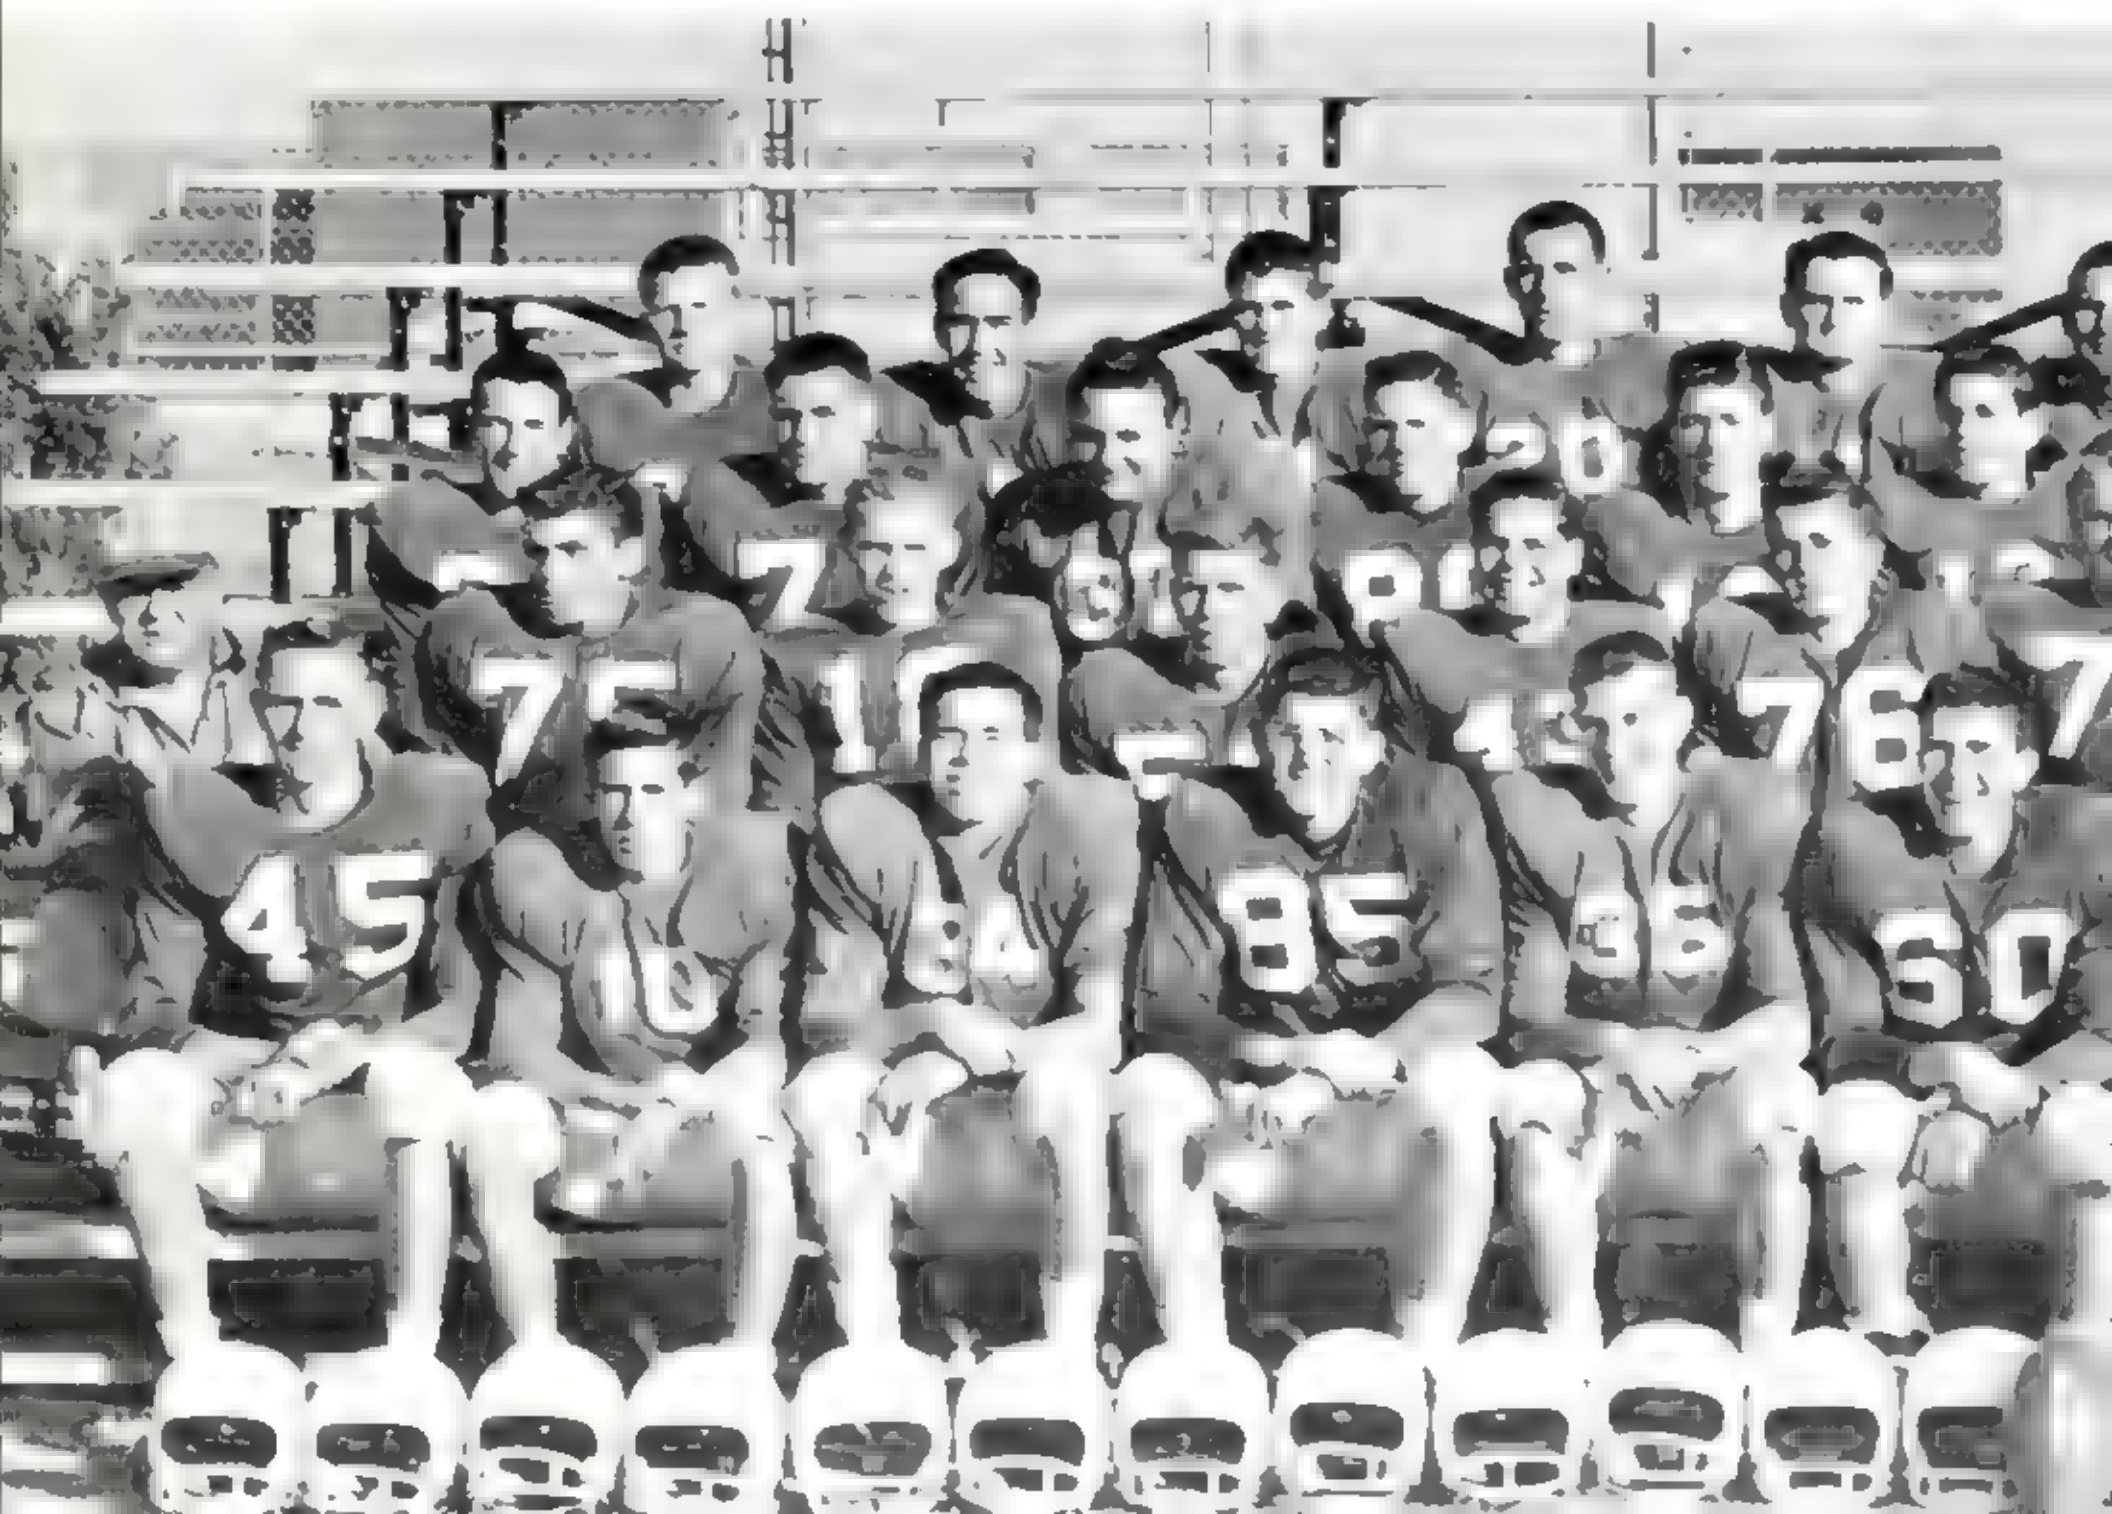

jim harris, monterey halfback, puts the pressure on the westerners during the second quarter of play which saw tom s. completely overpowered by the red and blue.

lancers snatch third

monterey's lancers dropped their first game of the season to the little-field b-team, but gained momentum in the latter part of the year. the tom s. cowhands scored a fourth-quarter touchdown to edge the lancers in their first district game. the only other setback was delt the lancers by the borger bullpups as they raced to a 29-6 victory over the lancers. recording two shut-outs, the lancers harvested the

pampa shockers 26-0 and caged the plainview bullpups with a 37-0 score. monterey's b-team performed in good fashion against the amarillo schools as they edged palo duro 38-8, and dropped tascosa 24-22. they then battled the yannigans to a 0-0 tie. mr. ted simon served his first term as the lancer head coach assisted by newcomer mr. bobby moegle.

season summary

reeling from distinct height disadvantage, the plainsmen cagers waded through an unsuccessful season finishing in the eighth spot in district competition.

in the varsity's initial district encounter with plainview, the bulldogs jumped to an early lead and increased the margin till half time. the plainsmen rallied in the third quarter but the red hot bulldogs took an 87-68 victory home with them.

the large half time deficits continued to defeat the plainsmen until the encounter with the tascosa rebels. tascosa's stall method failed as the plainsmen snatched a 40-39 victory.

injuries plagued the 'men during the last half of district play and monterey continued to lose consistently. for the first time they lost both games to tom s. ironically the red and blue were defeated by identical scores of 55-47.

typical of the plainsmen during the faltering season was their fighting spirit which lasted throughout the district contests. each player on the squad gave his best until the final buzzer sounded. often the scoreboard fails to record the true victors.

bad luck apparently runs in threes for the plainsmen as they dropped behind plainview, pampa and amarillo in succession. two baskets held the 'men off the winning line as the sandies slipped past 68-64.

previous games with pampa and plainview proved that monterey had the punch but not the back-board control as plainview cut past the plainsmen 82-58. pampa held the plainsmen down with an 87-68 score.

a palo duro don stops short as he watches greg smith's shot fall through the net in the initial meeting of the season for the two clubs.

lancers dribble past foes

coached by former texas tech cage star gerald myers, the 1959-60 edition of the monterey lancers compiled a commendable record of 8-wins and 6-losses in district competition.

perhaps one of the biggest distinctions the lancers gained for themselves this season was the winning of the consolation championship in the small school division of the first annual caprock holiday tournament.

out of their six district losses the lancers lost four by two points or less. this is a good indication of the future role the lancers will play when they become plainsmen.

sweating out his first year as lancer coach, gerald myers tutored his men through an 8-win 6-loss season.

plainsmen golfers are top row: dan cravy, phil markham, norman williams, mike moorhead, howard axtell, ken smith, and coach james odom

golfers swing through tourneys

with an even dozen on his golf team coach james odom entered the season in fine style by winning their two opening practice tournaments. with nearly twice as many on the golf team, they will have good chances to place high in district play.

returning lettermen howard axtell and teammate ken smith pick up some pointers from coach james odom.

bottom row: dickie zarphas, terry thompson, mike gooden, tommy baker, jerry thompson, bill widner.

trackmen are top row: mike linder, duane housouer, tommy ashton, butch thompson, jerry porter, teddy rookard, buggsy burnet, david bartlett, and richard palmer. second row: billy hogan, ray humphrey, allen newberry, andy

'men boast cinder track

with twice the participants and only half the returning lettermen, coach ted simon's trackmen enter the 1960 season with 28 men to bolster his team. the monterey tracksters entered the season hoping to set new records on the newly constructed cinder track.

discussing jumping records, coach ted simon and his only returning letterman marshall mc crummen discuss the coming season.

miss jan cannon, queen of the rackets, has made a fine showing with her tennis team in the opening tennis matches by winning one and tying the other. cheaper by the dozen definitely doesn't apply to the 24 net-men who make up the monterey tennis team. with a little luck and a lot of determination, monterey will be a formidable foe in district play.

miss jan cannon, monterey tennis coach, always keeps her racketmen "on the ball" in area competition.

the plainsmen tennis team are top row: david osborne, clint swines, rick band, steve briggs, tom ausley, david taylor, bobby nichols, and butch niel. middle row: larry bicket, travis hamblet, pat wyman, ronald todd.

m h s nine, shadow of red checks

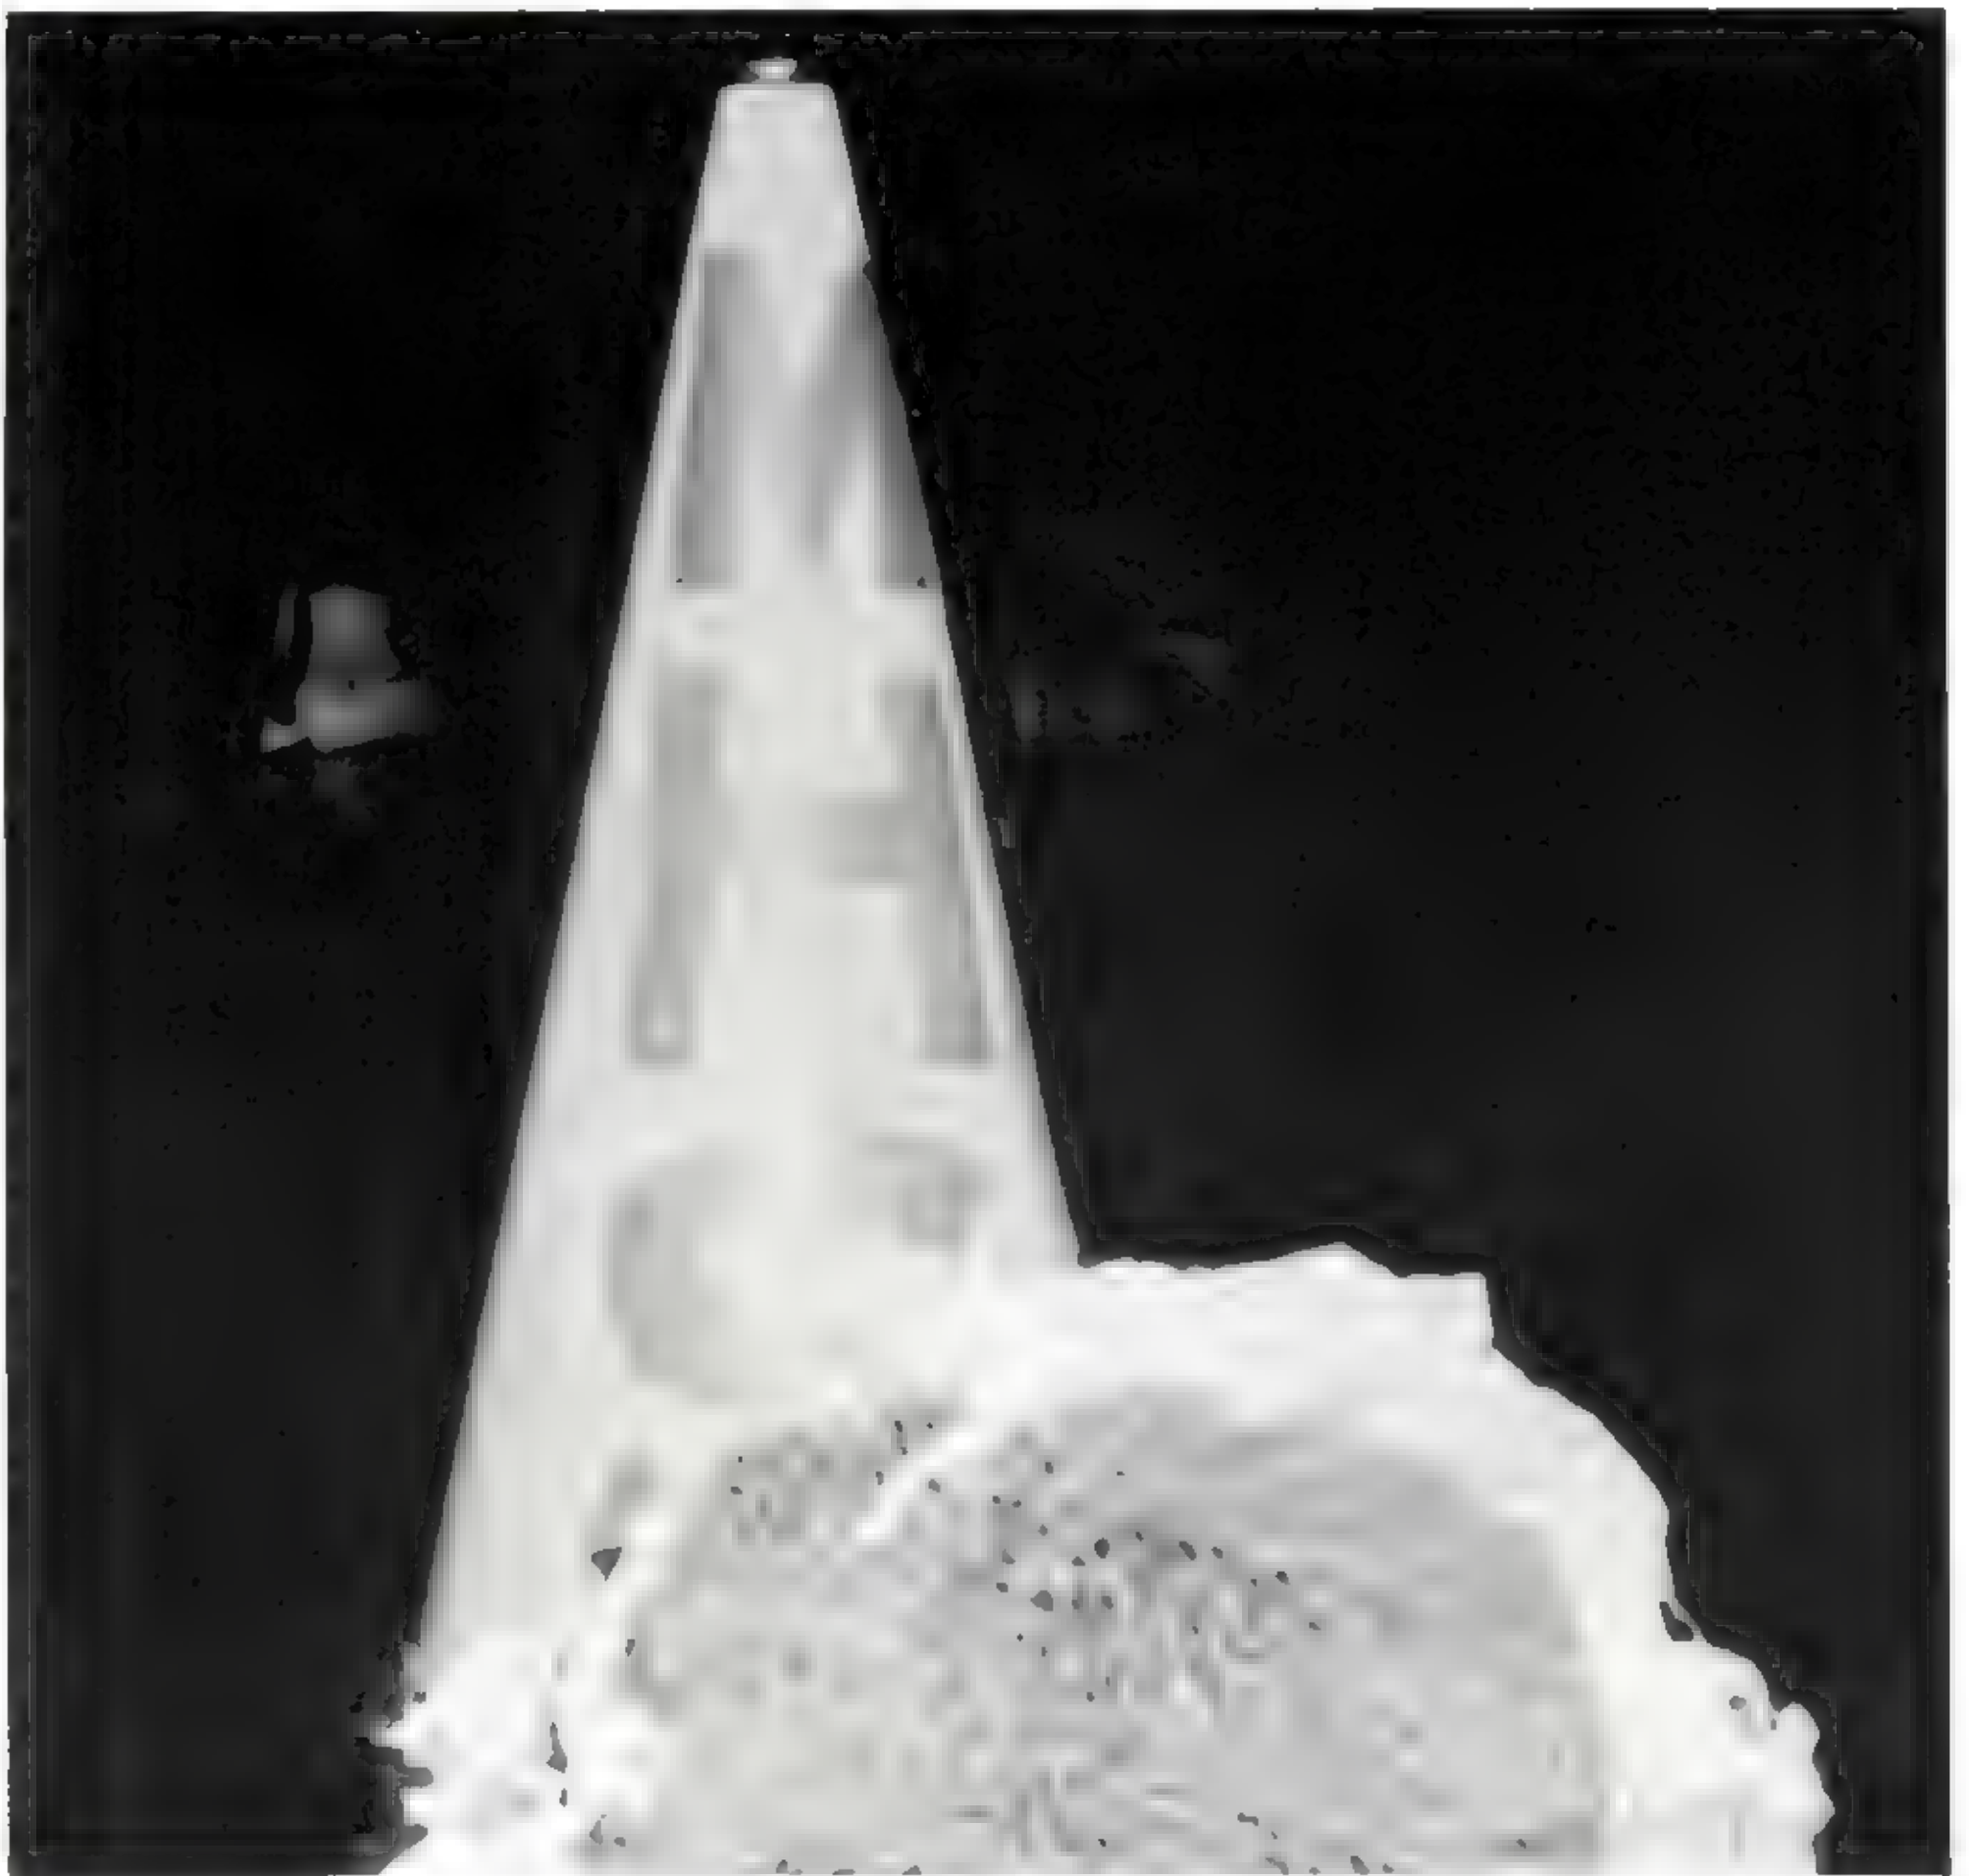

with a good measure of returning players from the 1959 team, mixed with new blood, coach bobby moegle keeps things cooking in district 3-4a. composed of many players of the bell red check team which went to regional playoffs, the monterey plainsmen baseball team will be more than formidable when they meet district foes.

serving his first year as plainsmen baseball coach, bobby moegle directs his hard hitting hurlers in the 1959-60 season.

plainsmen, one and all

whether participating in football, basketball, golf, tennis, baseball or track, each player knows the importance of having his school and team behind him. equipped with megaphone and pom-pom, the monterey cheerleaders have a big job cut out for them in any sport. win or lose, knowing that one has done his best intensifies victory and softens defeat. whether a participant or a spectator, monterey's fighting spirit makes us plainsmen all.

p.e. classes teach active skills

designed to improve body co-ordination, boys p.e. offers a wide variety of athletic activities. coaches gerald rogers and bobby moegle direct the boys in football, basketball, softball, volleyball, square dancing, health, and first aid.

competitive skills and good sportsmanship head the list during the years' activities in girls' p.e.

stretching high for a bit of pigskin, enthusiastic participants engage in the first semester football activities.

basketball is one of the many activities offered in girls' p.e. the girls participate in badminton, volleyball, and first aid in addition to special classes in golf, tumbling, tennis, and modern dance. mrs. w. i. pittman and miss jan cannon are the girls' p.e. instructors.

We found that **Spears** has the best selection of traditional, Early American and Contemporary furniture for young moderns in West Texas. Lowest prices too! They have two good locations in Lubbock: Ave. Q at 28th and at Monterey Center. When you come to Wichita Falls we can browse in their wonderful store in Southmoor Center.

Mickys
Finally! we're getting
out of home room (if we
ever make it in physics)
It's really great to know a guy
like you. I hope we will always
be good friends. I'll even forgive
you for calling our physics class
an all boys class (I think you knew
the difference all the time) I hope
to see more of you & Vicki soon
this summer.
